

Ada High School Building and Seating Information

Welcome to Ada Schools! Completed and first occupied in August of 2008, this building became the new venue for Music Feast. After 30 years of hosting the festival in our 1929 building, our committees worked long and hard to refine event details in order to take advantage of all the features this facility has to offer. Choirs competing today will perform in our beautiful, state-of-the-art auditorium. After Ada performs in exhibition this afternoon, everyone will move to our Varsity Gymnasium for the Daytime Awards Ceremony. The only remaining portion of our old school (1971 wing), now renovated, shows that old spaces can be made new again!

With new spaces come new adventures. Our auditorium is not capable of accommodating all spectators here today. Therefore, we have established a live “simulcast” viewing location just down the hall in the new gymnasium. There you will find a high quality video projection and sound system. But, be sure to head back to the auditorium when it’s time for your choir to take advantage of our special “front-row” revolving seating. This feature gives you the opportunity to see your choir, up front and personal, in some of the best seats in the house! Front-row, revolving seating, will only be available for supporters of the choir just about to take the stage. It will be “released” immediately before each performance begins to anyone else who may need a seat. After each choir, all seats in this section must be vacated to make room for the next scheduled group. During the day, you may occupy any open seat on a first-come, first-served basis (other than the preferred seating section). Please be courteous and make seats available for those who need them. Please do not save seats; all seats will end up being occupied as the day goes on. Once auditorium capacity has been reached, please use the live simulcast viewing location in the gym down the hall. Our goal is a safe, enjoyable event and these guidelines will help make it so.

We welcome you as our guests. We’re glad you’re here! Best wishes to all choirs and enjoy your day!
